

Our Mission is to enrich the learning of our students

We Value commitment, achievement, respect and equity

Our Vision is inspired, interconnected learners

Through consultation, review and planning, our goals for 2013 are:

Awareness

- ▶ Monitor awareness of NHS
- ▶ Plan and work to raise awareness
- ▶ Collaborate with Regional Health Schools
- ▶ Conduct regional board meetings
- ▶ Bring the Mission and Values to the fore

Staff

- ▶ Recruit for complementary skills
- ▶ Recruit for flexibility
- ▶ Increase subject knowledge base
- ▶ Share skills across teams and the school

Delivery

- ▶ Implement a BYO device strategy
- ▶ Develop a staff BYOD programme
- ▶ Staff peer and self-review of delivery
- ▶ Update best practice guide
- ▶ Improve ILP consistency and co-construction

Maori and Pasifika Achievement

- ▶ Raise staff awareness of Maori and Pasifika achievement
- ▶ Consult with key community leaders
- ▶ Conduct research into Maori and Pasifika achievement
- ▶ Develop culturally appropriate skills and resources

National and International Relations

- ▶ Collaborate with school clusters
- ▶ Participate in the HELP Conference 2013

Curriculum

- ▶ Develop maths programmes and resources
- ▶ Provide consistent learning environments
- ▶ Establish consistency of contact time with teachers

Reporting

- ▶ Provide National Standards information to schools of enrolment
- ▶ Report on standardised assessment data

Property and Finance

- ▶ Investigate new Support Centre possibilities
- ▶ React quickly to local roll growth

Health and Safety

- ▶ Reduce staff travel times through improved use of technology and SSC
- ▶ Review cyber-safety policy and procedures

Communication

- ▶ Implement a school-wide video conferencing system
- ▶ Use video conferencing to improve the quality of on-line meetings
- ▶ Expand on-line discussion forums to include other schools and agencies
